Organization Overview

Name : Edge Gardeners

History : “Edge Gardeners: was founded in 2013 with a small group of local boys who persisted on making a living for themselves right in their own neighborhood. This endeavor allowed them to start a lasting relationship with the communors of boksburg and surrounding areas, to this this day the Edge gardeners are known for their intensive but precise garden work for loctal communities in South Africa

Vision : Edge gardeners vision is to be South african's largest Gardening company for a very long period of time

Mission : Our mission is to diversify our way of reaching customers, apply ourselves in new and unfamiliar communities which will allow us to develop and learn new skills that can be added to our catalogue of workers and staff

Website Goals and Objectives

Goals :

- join digital spaces
- Bring forth Variety in our services
- Build multiple forms of networks
